2018-19 DONOR RECOGNITION REPORT

PULL TOGETH

A scenic view of a river with people rowing and a forested hill in the background. The sun is low on the horizon, creating a strong lens flare effect across the image. The water is dark blue, and the sky is a deep blue. The trees on the hill are in various shades of green and yellow, suggesting autumn. The rowers are in the foreground, and a small boat is visible in the distance.

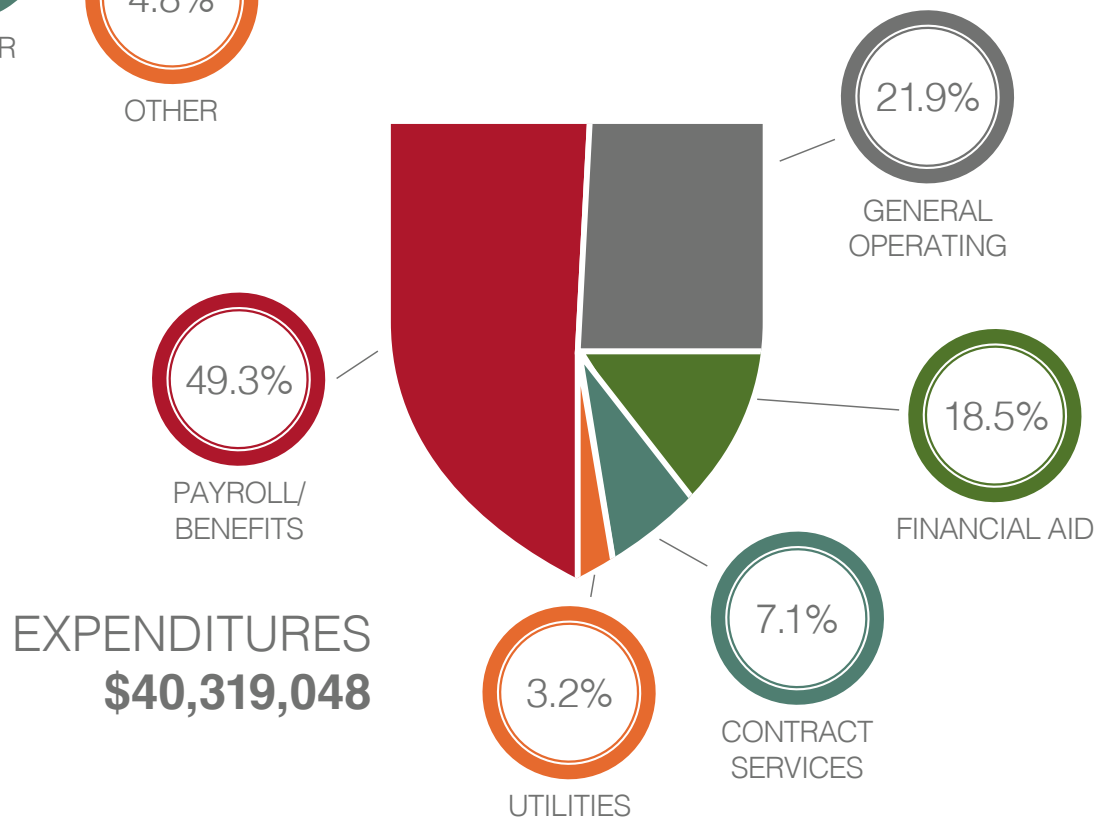

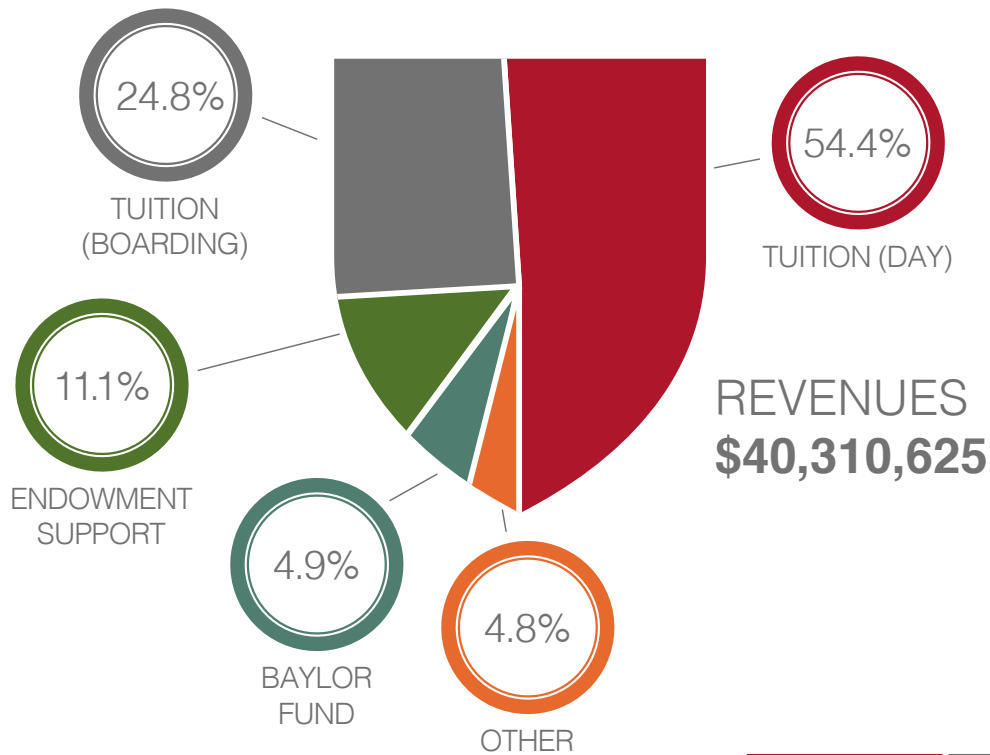

IER...

From STAT (Students Today, Alumni Tomorrow) and Class Agent fundraising, to supporting students and the school's mission, or giving back to Baylor out of genuine gratitude, **Kadi Cole Brown '98** and **Natalie Cole Parker '01**, **Bob Worthington '74**, **Van Bunch '75** and **Elin Bunch '09**, **Takisha Haynie**, and **Alex Robinson '19** reveal that there is more than one way to pull together in giving to Baylor. On behalf of our student body, faculty and administration, we thank them — and we thank you. As we celebrated the school's 125th year in 2018-19, our alumni, parents, and friends contributed more than **\$2.1 million** to The Baylor Fund. Every donor and volunteer recognized in this report is important in preserving Baylor's historic legacy as one of the premier independent schools in the country.

PAST, PRESENT, AND POSSIBILITIES

When sisters **Kadi Cole Brown '98** and **Natalie Cole Parker '01** give to The Baylor Fund, it brings back some great family memories.

“Having had a brother (**Phillip Cole '03**) and sister who attended at the same time, along with our mother, **Carol**, who was working in college counseling, we shared many things Baylor,” remembers Natalie. “Amazing trips, tons of sporting events, incredible teachers and coaches, hosting boarding students in our home, and tons of laughter all the way.” Both Kadi and Natalie, along with their husbands, **Andy Brown '98** and **Evan Parker '98**, hope to continue the family legacy as Baylor parents in the future.

Their generosity is also in appreciation for Baylor’s continued quest for academic success in the present. “My involvement

with BaylorWorks and the Alumni Board proves to me that Baylor is always growing as an educational institution while graduates continue to show an inspirational level of excellence,” says Kadi.

The family established the Phillip Cole '03 Endowed Scholarship Fund many years ago in memory of their brother, who passed away his freshman year of college in 2003. “I believe in the scholarship opportunities and financial aid that Baylor offers that allow students and their families to make Baylor a reality,” says Kadi. “When I served on the Baylor Alumni Board, the commitment and passion of that group was infectious,” adds Natalie. “Both the scholarship program and the work done by the school, the donors, and the students make a Baylor education possible for so many and have become a personal passion for everyone in our family.” ♥

LOOKING BACK AND PAYING FORWARD

As the son of legendary Baylor coach **Jim Worthington** (*far left*) and, **Sallye** (*center*), the creator of the iconic Baylor letter jacket, who passed in 2017, **Bob Worthington '74** (*far right*) spent his childhood years living on Baylor's campus and later played quarterback for the state and national champion 1973 Baylor football team.

Today, he continues to shape his family's legacy by serving as a class agent for The Baylor Fund. In anticipation of his 45th reunion this fall, Bob has been busy persuading classmates to double the total amount raised by the Class of 1974. He says he is driven by two basic truths. "One is that the Baylor faculty make underappreciated personal sacrifices each day to pursue a selfless mission of love for students. The other is that, but for the amazing generosity of others, the blessing of a Baylor education and all that it has afforded me would simply not have been available for me."

While Bob's appreciation for Baylor comes from remembering his past, he gives, and asks others to give, for the students and for the future of the school. "I do not give back to Baylor to pay my debt of gratitude," he continues. "I give to support and encourage Baylor's faculty, administration, and staff, and to help make possible for aspiring and deserving students the same blessing that others made possible for me. It is not my obligation but my opportunity that I gladly accept out of love for Baylor." ♥

The following alumni made financial contributions to The Baylor Fund during the 2018-19 fiscal year (July 1-June 30). This list does not include capital and endowment gifts.

“THE BAYLOR FUND IS THE
FUNDAMENTAL CORNERSTONE THAT
ENABLES THE COMPLETE
BAYLOR EXPERIENCE.”

~ Christopher P. Crimmins '80, *Chairman, Board of Trustees*

BAYLOR FUND IMPACT COMES IN BUNCHES

Van Bunch '75 knows his life could have turned out differently, noting that two of his closest childhood friends spent time in prison, and he credits the opportunity to attend Baylor with changing his life's trajectory at the age of 12.

"The teachers seemed genuinely interested in a smart-aleck kid from Lupton City," remembers Van. "That, and some friends like **Ted Shipley '71**, helped me spin off in a better direction. I started to follow that light." That light illuminated a path that eventually led to a successful law career and the desire to send his three children – **Dylan '07**, **Elin '09**, and **Taegan '19** – to Baylor.

Elin, now Baylor's director of community service, has seen Baylor's impact on her family from many angles. "I've seen my dad live out Baylor's mission throughout his life, I've seen the ways

the school shaped my siblings and myself, and now working at Baylor has reinforced the importance of every gift to the school," says Elin. "The Baylor Fund opens Baylor's doors wider through financial aid, provides students every opportunity to pursue their passions, and enables the outstanding faculty to equip and inspire those students to make a unique positive difference with their lives."

Van, now the Alumni Board's co-chair for The Baylor Fund, says giving to Baylor helps more kids like him succeed. "I never really gave much thought to what 'success in life' meant to me," he says, "but the privilege of sending all three of our children to Baylor is surely a sign." ♥

PARENTS AND GRANDPARENTS OF STUDENTS AND ALUMNI

The following parents and grandparents of students and alumni made financial contributions to The Baylor Fund during the 2018-19 fiscal year (July 1-June 30). This list does not include capital and endowment gifts.

JUST A BIT MORE

When it comes to giving to Baylor, **Takisha Haynie**, who serves as assistant director of residential life and is a 22-year campus resident, has already gone the distance.

Takisha joined Baylor's faculty in 1997 as an English instructor and one year later she was living on campus. That same year she married Mario, and they are raising their son, **Evan '23**, on campus. In addition to her current role, she served 16 years as a dorm head, has taught all four levels of Upper School English, and is the lead singer of the Nighthawks, a faculty folk/rock band that has performed a benefit concert on campus for the last decade.

Even though she has devoted an extraordinary amount of her professional and private life to Baylor, she agreed to serve as the 2019-20 faculty leader for The Baylor Fund. "My annual gift is an expression of gratitude and support," says Takisha. "First, I'm grateful to work and to live at such a special place. Throughout my professional career, Baylor has provided immense support and opportunities. It has also been an amazing place to raise and to educate my child. Second, I give to show my support of Baylor's mission. It's important that I live the mission that I also ask our students to embrace. My contribution may never build a beautiful edifice, but I believe it has and will continue to make a positive difference in the world in some small way." 🍷

2018-19 ALUMNI BOARD

As the primary representatives of Baylor's alumni body, the Alumni Board works closely with the Office of Alumni Engagement to achieve the association's goal of establishing and encouraging an active and involved alumni network. The purpose of this network is to build mutually beneficial relationships among alumni, students and Baylor, and to demonstrate that the student experience is just the beginning of a lifelong relationship with Baylor.

VOLUNTEERS

ONE STORY LEADS TO ANOTHER

Alex Robinson '19 recently graduated in June, but his legacy with The Baylor Fund began as a student.

As a leader in Baylor's STAT (Students Today, Alumni Tomorrow) program, Alex raised nearly \$7,000 in pledges at two phone-a-thon events his senior year. Whether the call was to alumni of the 1950s or the 2010s, Alex began to realize a common bond. "Each call was to someone who had once been in the exact position I was in," he says. "To hear them talk so affectionately and passionately about their time at Baylor only made me more thankful for mine."

Alex also recalls that the people who cared the most about Baylor were always the ones that could pull him into a conversation for several minutes. "The giving was always second nature, like they felt a duty to ensure the future of Baylor as a way of repaying Baylor for all it had done for them. But the amount of money I raised was nothing compared to the stories they gave me."

As he made more calls, the memories that unfolded continued to resonate with him. "Those stories are why they know it's important to provide for the Baylor community as it grows, so that others will be able to look back fondly and reminisce as they have. Their Baylor story is the reason I have mine, and, if my contribution can lead to bettering a student's Baylor journey, then it will be worth every penny." ♥

S.T.A.T.

STAT (Students Today Alumni Tomorrow) assist the Development/Alumni Office with phonathons, events and general office duties. This group, selected annually by their peers, learns what it means to be Baylor alumni.
